## OUR CAPABILITY... IS THROUGH THE ROOF.

TST Roofing is a multifaceted, dedicated company with a Class A General Contracting license, and has an established presence in government roofing and with multiple commercial industry clients. TST Roofing specializes in the installation of new roofs, re-roofing, and restoration with a combined 40 years of roofing experience between our senior management. TST Roofing is honored to serve customers in the commercial, federal, and municipal sectors.

We have a team of experienced and professional employees, vendors, and partners that offer consistent excellence in a cost effective manner. Our aim is to become a strong part of the contracting team from the conceptual phase through closeout; to help facilitate a joint solution that is efficient, economical, and results in a quality end product with which the customer and the contracting agency are fully satisfied with.

TST Roofing is a Class A Contractor with a wealth of experience in government contracting and construction projects. As a turnkey contractor, we have worked with agencies ranging from NAVFAC to the USACE to Army MICCs. Our staff consists of a fully developed management team, QC system, QCMs, safety program, SSHOs, field workers and superintendents.
